

Online Training: Raising good kids

One of the biggest challenges faced by those working in early childhood care and education services is managing the behaviour and emotions of young children.

ACA Qld has partnered with trusted Child Psychiatrist Dr Kaylene Henderson to deliver the acclaimed online professional development course series, **Raising Good Kids: Managing Behaviour and Emotions in Early Childhood Care and Education Settings.**

It is a practical, flexibly delivered course series, made up of 10 self paced modules:

- Understanding children's temperaments
- Creating a culture of teamwork among children / reducing rivalry
- Teaching young children how to share
- Attachment: The importance of secure relationships
- Centre-based activities to promote positive social behaviours
- Teaching infants and young children to identify and express their feelings *and more...*
