**Australian Childcare Alliance Queensland (ACA Qld)** is a not-for-profit, member-funded organisation representing the early childhood education and care sector across Queensland.

As the peak body we advocate for the interests of children and families. We work on behalf of Approved Providers and operators to ensure that families across Queensland have access to quality, affordable early learning.

## Our Membership

ACA Qld members are the key decision makers in an early learning (childcare) service. We represent close to 900 early learning (childcare) services employing approximately 16,500 early childhood educators and teachers, who educate and care for around 190,000 children of 250,000 parents in Queensland.
