Australian Childcare Alliance Queensland is a not-for-profit, member-funded organisation representing the long day care sector across Queensland.

We advocate for the interests of children and families. We work on behalf of Approved Providers and operators to ensure that families across Queensland have access to quality, affordable and accessible long day care.

OUR MEMBERSHIP

ACA Qld members are the key decision makers in an early childhood education and care service. We represent over 850 early learning services employing approximately 13,500 educators, who educate and care for around 180,000 children in Queensland.

WHAT IS A SUPPORTER MEMBER?

Supporter Membership is available to nominated representatives of an industry, business or institution that provides services to and supports the early learning industry. Supporter Members receive the same diverse benefits as Principal Members (ECEC services), with the exception of voting rights. Supporter Members also receive valuable opportunities to promote their product or service to approved providers and professionals in the early learning industry.
